## James Avery's legacy

When James Avery was in our hospice care, he visited Camp Cedars, our free summer camp for grieving children. He was touched by the children's stories and saw the power of healing. After that visit, he mentioned he was leaving his estate to Community, hoping one day his bequest would benefit grieving families.

Thanks to his legacy gift, we created the James Avery Grief Center, which offers free grief support for children, teens and adults.

“You are the family that a lot of people don't have. I want Community Home Health & Hospice to stay here forever.”

A charitable bequest offers these benefits:

**Simplicity-** It takes only a few sentences to make your bequest. Contact us for bequest language.

**Flexibility-** Your gift may be made as a percentage of your estate, or you may designate a certain amount of cash, securities or property as your bequest.

**Tax relief-** If your estate is subject to estate tax, your gift is entitled to an estate tax charitable deduction for the gift's full value.
