

# Naming opportunities in the Longview Hospice Care Center

## Care Center: \$1 million

Remodeled into a state-of-the-art 12-bed inpatient facility, the hospice care center provides touches of home throughout. With thoughtful and family comfort in mind, all patient rooms will be able to welcome overnight guests and open into a beautiful natural area. Additional spaces for family gatherings and children's activities are just a step away from the outdoors.

## Guest Welcome & Reception: \$500,000

The curved driveway and sheltered portico lead patients, families and visitors into an open and spacious reception area. Welcoming conversational seating, a soothing water feature, a fireplace and prominent donor wall invite everyone to rest and relax during a difficult time.

## Garden: \$250,000

Step into fresh air and nature in this lovely outdoor space for a restorative break from the stresses and strains of supporting a loved one on hospice care.

## Multifaith Chapel: \$250,000

All are welcome in this sacred space where solace and spiritual comfort abound for people of any faith.

## Family Room: \$200,000

The large, warm family space invites gatherings of all kinds where families can cook a meal, gather around the fireplace, meet together or fix coffee.

## Patient Wing (2 available): \$150,000

Two distinct patient wings comprise the comfortably-appointed rooms.

## Meal Preparation: \$100,000

Doubled in size, the large meal preparation space allows staff to create custom meals for patients.

## Guest Quiet Room: \$50,000
